

### **Moving Checklist for Four Weeks Prior to Moving Day**

- Schedule disconnection of all utility services at your old home, and connection of them at your new one. Be sure to disconnect the day after you leave and connect the day before you arrive. If you have "last month" deposits with services, such as the telephone company, request your refund.
- Confirm details with Neighbors for Moving & Storage.
- If you are packing yourself, obtain packing materials and start packing items you won't need until after you arrive at your new house. See our Packing Tips.
- Arrange for cleaning and repair of furniture, drapes, and carpeting.
- Arrange for special transportation of your pets and plants if necessary. • Check with your insurance company to see how your possessions are covered during transit.
- Make any travel plans necessary for your move.
- Check to see if you need any moving permits.
- Plan your moving sale. Remember to check with local authorities about restrictions.
- Collect your important records -- Gather personal and family records, including medical and dental, veterinary and school records; legal and financial documents; birth certificates, passports and insurance documents.

### **Moving Checklist for Three Weeks Prior to Moving Day**

### **Moving Checklist for Two Weeks Prior to Moving Day**

- Arrange for disposal of anything not sold at your moving sale.
- Service your car in preparation for the move. If you're moving from a warm climate to a cold one, check your antifreeze.
- Return any borrowed items (including library books) and retrieve any loaned items.

- Notify any creditors of your move.
- Transfer prescriptions and be sure you have an adequate supply of medications on hand.
- Assemble a file folder of information to leave for the new owner of your home.

- Change your address - One week before your move, send change-of-address cards to everyone who will need to contact you.
- Pick up laundry -- Laundry tickets are easy to misplace, so ask for your things by name and not just by the receipts you have.
- Pack a travel kit. Creating a personal moving checklist for your travel kit may be helpful. Put aside critical items like a checkbook, credit cards, personal phone book, ID, flashlight, keys, toiletries, tools, paper plates, cups, towels, travel alarm clock, aspirin, bandages and games for the kids. Also, pack a suitcase with clothing and other personal items.
